*...Because every child
deserves a childhood.*

Astor Angels Network is a new and exciting way to recognize our donors!

Angels...why do our children and families need them?

Many children in our society are born into difficult environments. In some cases, their parents may lack the resources or training to raise them well. In more extreme situations, children suffer from neglect or abuse. In all these cases, Astor is there for them!

Angels are those essential people in the life of Astor who make an annual gift of \$500 or more.

"I can't begin to tell you how fortunate I feel to have had Christopher go through Astor's Early Childhood Programs..... no matter what the issue, the staff are always there for us. I don't know where we would be without Astor." -Parent of an Astor Child

Our Mission

To provide behavioral and educational services in a caring environment where children and their families find strength, healing, hope and trust.

Our Vision

To see children meet life's challenges, pursue their dreams and reach their full potential.

Why Become an Angel?

As an Astor Angel, your generous donation will go towards supporting our many programs and operating costs. These donations give Astor the freedom to direct funds where they are most needed.
