### **The Astor Home for Children Launches New Website**

**Rhinebeck, NY** – The Astor Home for Children has launched its new, redesigned website.

Astor's new website has updated its Internet presence to mirror its reputation as a premier class community based organization that provides children's mental health services, child welfare services, and early childhood development programs. Visitors can now learn about Astor's distinguished history of working with children and their families, its extensive record of accomplishments, and its outstanding staff.

Through the use of images of children at work and at play, and of their artwork, Astor's website portrays its most important attribute: the high quality of care that it has given, and continues to give, to so many children and families over the past five decades.

Visitors to the website can obtain information regarding Astor's programs, services and upcoming events, as well as information on how to make donations to The Astor Home for Children Foundation. The website address is [www.astorservices.org](http://www.astorservices.org).

Astor, as it has since 1953, promotes the well-being of children, adolescents and their families through a range of programs that prevent and treat emotional problems and facilitate healthy development. Now serving over 6,000 children and families annually, Astor's current range of services to families in the Mid-Hudson Valley and the Bronx include: Residential Treatment, Therapeutic Foster Family Care, Early Childhood Programs, and Community Based Mental Health and Educational Services. For additional information about The Astor Home for Children, please visit their website, or contact The Astor Home for Children Foundation at (845) 871.1117.
