Astor Receives \$30,000 Grant from The Hackett Foundation

Rhinebeck, N.Y. – The Astor Home for Children received a \$30,000 grant from The Hackett Foundation. This donation will go toward the Residential Programs in Rhinebeck, to renovate the children’s bathrooms in the “cottage” which is over 100 years old.

“The cottage provides a wonderful haven for the children. It is located on a stream in a very tranquil setting. The renovation of these bathrooms will improve the quality of the children’s living conditions – something we are deeply committed to. We are so thankful to the Hackett Foundation for this generous gift.” James McGuirk, Ph.D., Executive Director/CEO, The Astor Home for Children.
