

Astor's Adopt-a-Family program seeks donations, support

Friday, December 2, 2016

RHINEBECK >> Astor Services for Children & Families, which provides behavioral and educational services for thousands of children and their families throughout the mid-Hudson Valley and the Bronx, is seeking donations for its annual Adopt-A-Family program and support of its Adopt-A-Classroom program.

By donating goods and services through Adopt-A-Family, which matches volunteer donors with families in need, members of the community can help low-income families whose children are served by Astor have a fulfilling holiday season.

Qualified groups or individuals are asked to provide gifts for the families in one of two categories, needs and wants.

For more information about participating in the Adopt-a-Family program, which runs through Dec. 11, visit www.astorservices.org/adopt-a-family, call Samantha Lowe at (845) 871-1171, or email slowe@astorservices.org.
