

## Referral Guide

Line of Service/Program	Description	Counties Served
<b>Outpatient Clinics</b>	Provide evidence based, trauma-informed individual and family therapy to help children manage emotional and behavioral difficulties in their local community.	Bronx, Dutchess, Ulster
<b>SYNC</b> Serving Youth in Their Community	Offers a wide array of home, school, and community-based services tailored to meet the behavioral and emotional health needs of each child with their family's voice and wishes at the forefront of service delivery.	Bronx, Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster, Westchester
<b>Head Start &amp; Early Childhood</b>	Promotes school readiness of children from zero to age five from low-income families by enhancing their cognitive, social, and emotional development. These services include center-based classrooms, special education, and home visiting.	Dutchess
<b>School-Based Mental Health</b>	Provides skill building, treatment, case management and other support services for children and their families in their local school.	Bronx, Dutchess, Ulster
<b>Prevention</b>	Helps to keep families together and children safe through provision of home-based skill building and crisis intervention services.	Bronx, Dutchess, Orange
<b>Care Management</b>	Provides care coordination to Health Home eligible children. A care manager links, supports, and oversees access to services/systems a child and family may need to improve overall health.	Bronx, Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster, Westchester, Delaware, Greene, Columbia
<b>Home-Based Crisis Intervention</b>	Provides short-term crisis support and treatment for children and their families to avoid a higher level of care.	Dutchess, Ulster
<b>Day Treatment</b>	Provides long-term clinical treatment and education to youth with serious behavioral difficulties in a school setting.	Bronx, Dutchess, Ulster
<b>Partial Hospitalization</b>	Provides short-term clinical services to adolescents in danger of needing a higher level of care or transitioning from a higher level of care.	Dutchess, Ulster, Orange
<b>Therapeutic Foster Care</b>	Combines the best of traditional foster care with a progressive model that creates a supportive therapeutic environment for the child. This is an ideal step-down program for a child in residential care.	Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster, Westchester
<b>Residential - RTC/RTF</b>	Provide therapeutic services in a nurturing environment to children with serious mental health and behavioral concerns. The needs of the children and their families are met through a program model that is family centered and trauma informed.	New York State
<b>Astor Learning Center</b>	Provides day student services to children ages 5 through 14 who are experiencing emotional and educational challenges. Day students reside at home while attending a more structured educational program. All students receive support to help them return successfully to their local districts.	Hudson Valley
