

Astor Services for Children & Families promotes the well-being of children, adolescents and their families through a range of programs.

The program serves parents that have children who are at risk of foster care placement. An interdisciplinary team works across systems to keep families together safely. This is a Dutchess County funded contract.

Services Offered:

- Case management
- Individual therapy
- Family therapy
- Crisis intervention
- Parent training
- Advocacy
- Skill building
- Linkages and referral services
- 24 hours/7 days crisis support
- Discharge planning

Referral Criteria:

All referrals must come from Dutchess County's Child Protective Services Unit.

Cost:

Free
