If you experience any of the symptoms consistent with COVID-19, please visit any of the location below for testing. While most major insurance have indicated that they are providing coverage for Covid-19 evaluations, treatment and testing, please check with your health care insurance company to review your benefits.

 <u>NYS Department of Health</u>:

Testing is free to all eligible New Yorkers as ordered by a health care provider or by calling the NYS COVID-19 hotline at 1-888-364-3065.

If you go to a test site run by New York State, there is never any charge for your test.

Interested in being tested for COVID-19? Use this screening tool to share your symptoms and pre-register for testing at https://covid19screening.health.ny.gov/

Get information on coronavirus testing near you. Simply enter your address and find locations that provide coronavirus testing:

https://coronavirus.health.ny.gov/find-test-site-near-you

If you go to a test site operated by local governments, private companies including pharmacies and medical practices or not-for-profit organizations, you are advised to check with the testing site and your insurer in advance of being tested to confirm you will not be responsible for any fees associated with your test.
