**JESSIE’S GIRL “BACK TO THE EIGHTIES” CONCERT
TO BENEFIT ASTOR SERVICES FOR CHILDREN & FAMILIES**

New York City, May 5, 2022. Astor Services for Children & Families has announced a benefit concert to help support the mental and behavioral health services the non-profit organization provides throughout the Bronx. The concert, BACK TO THE EIGHTIES with Jessie’s Girl, is on Thursday, June 2, 2022 at the Legendary S.O.B’s at 204 Varick St., NY. Jessie’s Girl pays tribute to the music of the 80s. Their primary line-up includes a team of New York City’s top rock and pop vocalists. They are backed by one of the tightest bands in the city, comprised of 20-plus year veterans of the city’s music scene, each with dozens of credits performing with authentic 80’s icons who made the music famous to begin with.

The band recently enjoyed thunderous responses in packed rooms at prestigious regional venues such as Westchester’s Capitol Theatre, Long Island’s Paramount Theatre and The Count Basie Theatre in New Jersey. Jessie’s Girl is the only band to play every year on The 80s Cruise and have inked a deal to continue performing there through 2023.

“We are excited to secure this band and look forward to seeing some old and new friends, all to support the children, adolescents and families Astor serves in the Bronx,” says Richmond Arce, manager, special events, Astor Services for Children & Families. “So, come out to support Astor, all while experiencing an amazing band.”

Tickets are available online at Eventbrite – <https://astorsbacktothe80snyc.eventbrite.com>. General admission is \$50 and a VIP party package, including a pre-show party and premium seating for the show is available for \$150.
