ASTOR SERVICES UNVEILS INTENSIVE OUTPATIENT CLINIC
Clinic Offers Enhanced Therapeutic Services for Youth Ages 6-12

Dutchess County, NY, January, 22, 2025 - Astor Services officially unveiled its Intensive Outpatient Clinic in Poughkeepsie with a ribbon cutting and tour of the facility. The program provides a safe space for children 6-12 showing significant impairment in school or home to explore their emotions, thoughts and behaviors with a therapist, develop healthy coping mechanisms, and ideally to prevent residential treatment. City of Poughkeepsie Mayor Yvonne Flowers was on hand to help mark the opening of this important program, designed to help youth who are at risk of out of home placement.
