

Programs & Services

Program/Service	Description	Counties Served
Early Childhood Programs Head Start/Early Head Start Lawrence F. Hickey Center (LRS) Universal Pre-K	Promotes school readiness of children from zero to age five from low-income families by enhancing their cognitive, social, and emotional development. These services include center-based classrooms, special education, and home visiting.	Bronx, Dutchess
Mental Health Outpatient Treatment & Rehabilitative Services Counseling Centers	Provide evidence based, trauma-informed individual and family therapy to help children manage emotional and behavioral difficulties in their local community.	Bronx, Dutchess, Sullivan, Ulster
Intensive Outpatient Program	The program provides a safe space and enhanced therapeutic services for ages 6-12 to explore their emotions, thoughts, and behaviors in individual, family, and group therapy. This allows for personalized treatment and helps develop healthy coping mechanisms.	Dutchess
School Based Behavioral Health & Training (SBBHT)	Provides skill building, treatment, case management and other support services for children and their families in their local school.	Bronx, Dutchess, Sullivan, Ulster
Trauma Recovery Center	Serves as a community hub to support victims of violent crime, with clear referral pathways from local hospitals, legal defense services, law enforcement, and other community pathways.	Bronx
Home & Community Based Programs Care Coordination	Provides care coordination to Health Home eligible children. A care manager links, supports, and oversees access to services/systems a child and family may need to improve overall health.	Bronx, Columbia, Delaware, Dutchess, Green, Orange, Putnam, Rockland, Sullivan, Ulster, Westchester
Enhanced Coordinated Children's Services Initiative (ECCSI)	A multi-agency process that seeks to prevent out-of-home placement and coordinate services to meet the family's complex needs in Dutchess County.	Dutchess
Family Therapy & Support Services	Services for youth with behavioral issues, including Juvenile Delinquent (JD) and Persons in Need of Supervision (PINS).	Orange
High Fidelity Wrap Around	Care coordination to offer children & adolescents a positive outcome. The process involves intensive, individualized planning and managing for ages 12-21 with serious emotional, or behavioral concerns.	Bronx, Dutchess, Orange, Ulster, Columbia
Prevention	Helps to keep families together and children safe through provision of home-based skill building and crisis intervention services.	Bronx, Dutchess,
Probation Based Services & Juvenile Risk Intervention	Probation Based Services is a family therapy program for children involved with Dutchess County's Dept of Probation & Community Corrections.	Dutchess
Serving Youth in their Community (SYNC)	Offers a wide array of home, school, and community-based services tailored to meet the behavioral and emotional health needs of each child with their family's voice and wishes at the forefront of service delivery.	Bronx, Dutchess
Therapeutic Foster Boarding Home	Combines the best of traditional foster care with a progressive model that creates a supportive therapeutic environment for the child. This is an ideal step-down program for a child in residential care.	Dutchess, Orange, Sullivan, Ulster
Transitions Day Treatment	Provides services to school-aged youth, 4-18 years old, who exhibit behavioral difficulties in order to enhance academic stability and successful promotion to the next grade level.	Bronx
Vocational Case Management	Vocational Case Management is available to youths, ages 18-26, who want to strengthen their job-readiness skills and enter the workforce.	Dutchess
School Based Programs Astor Learning Center (ALC)	Provides services to students ages 5 through 14 who are experiencing emotional and educational challenges. Students reside at home while attending a more structured educational program. All students receive support to help them return successfully to their local districts.	Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster, Westchester
Day Treatment	Provides long-term clinical treatment and education to youth with serious behavioral difficulties in a school setting.	Dutchess, Ulster
Crisis Services Adolescent Partial Hospitalization	Provides short-term clinical services to adolescents in danger of needing a higher level of care or transitioning from a higher level of care.	Dutchess, Ulster, Orange, Rockland
Home Based Crisis Intervention (HBCI)	Provides short-term crisis support and treatment for children and their families to avoid a higher level of care.	Dutchess, Ulster, Columbia, Greene, Putnam, Rockland, Westchester.
